HOUSE BILL NO. 7966

Introduced by HONARABLE MARK O. GO

The Philippine Constitution mandates the State to conserve, develop, promote and popularize the nation's historical and cultural heritage and resources, as well as artistic creations. It further provides that all the country's artistic and historic wealth constitutes the cultural treasure of the nation and shall be under the protection of the State.

The Burnham Park is one of the most famous parks situated in the very heart of the City of Baguio. Amidst the city's many twisting roads and rolling hills, Burnham Park is distinct for its geometrically and symmetrically designed stretch of levelled ground. Named after city-planner and American architect Daniel Burnham who designed it in 1904, Burnham Park has served many generations of families, both residents and tourists.

After several design improvements made over the years, the park is now composed of cluster areas: The Ibaloi Heritage Garden, a man-made lake, the children's playground, the Rose Garden, the Igorot Garden, the Orchidarium, Sunshine Park, the Pine Trees of the World Park, and various picnic spots such as Picnic Grove, the Melvin Jones Grandstand where various events are held, the Athletic Bowl where many athletes train and compete, and historical symbols such as the Japanese Peace Tower.

For over a century now, Burnham Park has become a part in the progress and prosperity of Baguio City. Indeed, Burnham Park deserves to be recognized as a cultural heritage park.

In realizing our common vision to strengthen our foundation, we need to preserve our rich cultural heritage for our next generations. Having said this, it is hoped that this measure will merit approval in declaring Burnham as National Heritage Park.

In view thereof, passage of this bill is earnestly sought.
