**HOUSE BILL NO. 8096**

**EXPLANATORY NOTE**

Section I, Article XIV (Education, Science and Technology, Arts, Culture and Sports) of the Constitution states:

**"The State shall protect and promote the right of all citizens to quality Education at all levels and shall take appropriate steps to make such education accessible to all."**

Inherent in Filipino parents is the desire to see their children pursue quality education. For them, education is the fulfillment of their moral obligation as parents. To fulfill the desire of the affected residents in Barangay Capuy for quality and mass-oriented education, this bill seeks to establish an integrated high school in Barangay Capuy, Sorsogon City, Province of Sorsogon, to be known as the Capuy Integrated National School.

Barangay Capuy is emerging as one of the most populated barangays in the City of Sorsogon. The establishment of Capuy Integrated National School is in response to the request of parents and children who clamor to have a secondary school in the areas. They believe that education is their best tool towards individual advancement and economic progress. The establishment of secondary institution would assure them of such achievements. It will also relieve parents and residents of Barangay Capuy of worries about the safety of their children who study in other barangays.

In view of the foregoing, approval of this bill is highly recommended.
