HOUSE BILL NO. 8114

Introduced by

REPRESENTATIVE CONRADO M. ESTRELLA III

EXPLANATORY NOTE

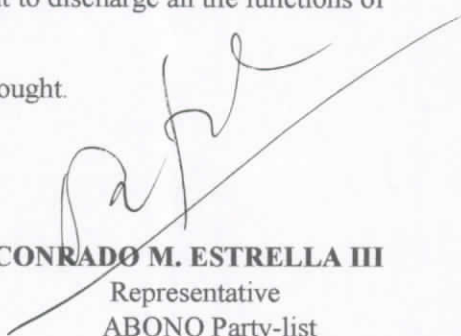

Rosales is one of the first class municipalities in the 6th district of Pangasinan. Being such, it is a home to a number of primary government offices including an office of the Ombudsman, Technical Education and Skill Development (TESDA), an office of the Department of Labor and Employment, and the LTO-Rosales Extension Office.

The present LTO-Rosales Extension Office was first established in November 1994 by virtue of an LTO Memorandum at Tayug, Pangasinan until its eventual transfer in Rosales. In a feasibility study conducted by the LTO-Region 1 in 2008, the then LTO Extension Office in Tayug was recorded to have an estimated income of **Php 12,726,400.00**. With this revenue, together with all the other related significant data, LTO-Region 1 made a recommendation that it was very viable to convert the LTO Tayug Extension Office into a regular district office.

Due to some circumstances, however, the conversion did not take place even until the transfer of the Office in its present location in Rosales. Notably, however, LTO-Rosales Extension Office, at present, caters to a larger clientele mainly from municipalities of the 6th district and other municipalities of Pangasinan and neighboring provinces (ie. Lupao and Paniqui). As such, for the month of December 2017, LTO-Rosales Extension Office recorded a revenue amounting to **Php 50,660,423.06**. Further, it was also noted that LTO-Rosales has generated a comparatively higher monthly income and processed more motor vehicle registration in comparison with other LTO offices, both regular and extension, in the region.

Thus, to lend our government a hand in attaining its vision to showcase fast and efficient public service for a progressive land transport sector, this bill seeks for the conversion of the LTO-Rosales Extension Office into a regular LTO district office to effectively enable it to discharge all the functions of a regular LTO office as sanctioned by law.

Hence, the immediate passage of this proposed bill is earnestly sought.
