

Republic of the Philippines

SEVENTEENTH CONGRESS
Third Regular Session

HOUSE BILL No. 8272

Introduced by: **HON. JOSE CARLOS L. CARI**

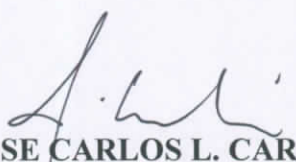

EXPLANATORY NOTE

The 1987 Constitution provides that the State shall protect and promote the rights of all citizens to quality education at all levels and shall take necessary and appropriate steps to make quality education accessible to all. The Constitution likewise mandates the State to establish and maintain a system of free education in the elementary and high school levels.

Therefore, it is proposed that Punta Junior High School be created to address the need for a junior high school in Brgy. Punta in Baybay City. There is an evident need for the formal establishment of the requested high school in this part of the Municipality so the youth can be encouraged to pursue their secondary education with the proximity of a junior high school in their barangay. There will be a decrease in travel and food expenses and less exposure to safety and health risks.

This proposed measure aims to do justice to the youth of Barangay Punta and its neighboring barangays by providing them the opportunity to liberate themselves from illiteracy and eventually upgrade their social and economic status, without compromising their safety and well-being.

In view of the foregoing, approval of this bill is earnestly sought.
