

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

SEVENTEENTH CONGRESS
Third Regular Session
House Bill No. 8307

Introduced by Representative **John Marvin "Yul Servo" C. Nieto**

Explanatory Note

As a manifestation of support to this timely piece of legislation, this representation respectfully refiles this measure, which has constantly been receiving support from the past and present Congress.

It is the policy of the state to promote a just and dynamic social order that ensure the prosperity and independence of the nation and free the people from poverty through policies that provide adequate social services and promote full employment, a rising standard of living and an improved quality of life, regardless of race, creed, and religion.

The Philippines has a population of more than 106 million of which according to a 2010 projection roughly 6.9 percent or more than 7 million are classified as senior citizens. While RA 7432 as amended provided a wide range of indispensable benefits to senior citizens, there is much more to be done in ensuring their welfare and well-being.

To further enrich the government's effort in providing support to senior citizens, the proposed piece of measure aims to introduce amendments to RA 7432 that will exempt senior citizens from all parking fees and from local number coding schemes.

In view of the foregoing, the immediate passage of this bill is earnestly sought.
