SEVENTEENTH CONGRESS
Third Regular Session

HOUSE BILL NO. 8450

Introduced by Representative PIA S. CAYETANO

EXPLANATORY NOTE

This bill seeks to convert the current Land Transportation Office (LTO) Taguig Extension Office into a Regular LTO District Office and Licensing Center.

The existing LTO located in Taguig City is only an extension office of LTO-Pasig District Office, which was established in the year 2000. The Office was formerly located inside Sunshine Mall, FTI Compound, Taguig City and was later on transferred to its present office at the Old Administrative Building, Taguig City.

The LTO-Taguig Extension Office caters to numerous constituents with its issuance of student permit and renewal of driver's license and motor vehicle registration. In 2017, its performance showed substantial revenue collections and increasing number of transactions. The Office revenue collection amounted to P118,540,477.32, while its driver's license issuance totaled to 37,511. It was also able to issue 19,433 student permit and 77,912 motor vehicle registration.

This proposed measure will allow the present LTO-Taguig Extension Office to accommodate the increasing volume of motor vehicle registrants and driver's license transactions, as it will entail additional plantilla positions for the Office.

In view of the foregoing, the passage of this bill is earnestly sought.
