HOUSE BILL NO. 8534

Introduced by **Honorable Roger G. Mercado**

Explanatory Note

Southern Leyte Provincial Hospital is an essential health care provider of Southern Leyte residents. However, its facilities and fund for operation and maintenance could barely cope with the demands of its patients.

Integrating the Southern Leyte Provincial Hospital into the Eastern Visayas Regional Medical Center could enhance the capability of the said hospital.

Therefore, passage of this bill is hereby being earnestly sought.
