

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

SEVENTEENTH CONGRESS
Third Regular Session

House Bill No. 8548

Introduced by Representative **John Marvin "Yul Servo" C. Nieto**

Explanatory Note:

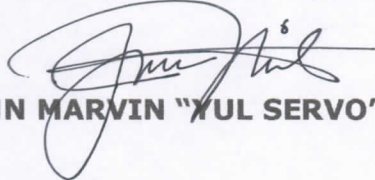

As a manifestation of support to this timely piece of legislation, this representation respectfully refiles this bill, which has constantly been receiving support from the past and present Congress.

RA 10631 or more commonly known as the "Domestic Workers Act" was enacted in 2013 in recognition to the plight and circumstance of every household helper. Philippine labor laws do not fully cover the roles and benefits of this occupation despite the sheer number of employed *kasambahays* in the country. One of key features of the Domestic Workers Act is the imposition of a minimum wage of Php 2,500.00, Php 2,000.00, and Php 1,500.00 for those employed in the National Capital Region (NCR), chartered cities and first class municipalities, and other municipalities, respectively.

Unfortunately, three years after its enactment, review and adjustments to the minimum wage of household helpers still remains unattended by the Regional Tripartite and Productivity Wage Boards (RTPWBs). There is much more to be desired in addressing the growing needs of *kasambahays*, especially with the rising price of goods and the high cost of living in the country.

This measure seeks to increase the salary of household helpers or *kasambahays* through the amendment of the provision on the minimum wage in the Domestic Workers Act.

In view of the foregoing, immediate passage of this measure is earnestly sought.
