HOUSE BILL NO. **9157**

Introduced by Honorable Roger G. Mercado

EXPLANATORY NOTE

Due to the recent passage of Republic Act No. 11198 creating the Second Legislative District in the Province of Southern Leyte, it is therefore necessary that the infrastructure needs of the newly created legislative district shall be addressed.

For this reason, the creation of a new District Engineering Office of the Department of Public Works and Highways is really needed for it to be given the right focus on the infrastructure projects of the second legislative district.

Therefore, passage of this bill is hereby being earnestly sought.
