HOUSE BILL NO. 9189

Introduced by Rep. AURELIO "DONG" D. GONZALES, JR.

EXPLANATORY NOTE

Situated in the heart of vast tracts of agricultural land, Mt. Arayat stands gallantly at 1,030 MASL. The mountain is bordering two municipalities: the southern half lies within the municipality of Arayat, Pampanga, while the north half lies within Magalang.

Considered as an inactive volcano, Mt. Arayat's crater has several peaks, thus suitable for mountain hiking and nature trekking. Mt. Arayat is now considered as one of the most popular hiking destinations in the country because of its dominating presence in Central Luzon, making the view from its peaks truly breathtaking.

Aside from its natural magnificence, Mt. Arayat is also a cradle of the rich Kapampangan folklore. This mountain is revered by locals as sacred and mystical for it is the legendary home of Apu Sinukuan, the rival of Namalyari of Mt. Pinatubo.

Indeed, the delicate interplay with respect to the conservation of its natural resources, preservation of its cultural significance, and promotion of tourism and development calls for national attention. While tourism in the area is already being encouraged by the local government, it is undeniable that with the help from the national government, the tourism potential of the area with further be harnessed. This can be done without threatening the sanctity the mountain's natural state and without disregarding the Kapampangan cultural beliefs and folklore.

This bill, therefore, aims to declare Mt. Arayat in the Municipalities of Arayat and Magalang, Pampanga, as a tourist destination, mandating the Department of Tourism, in coordination with the Department of Public Works and Highways, and in consultation with the concerned local governments units, to come up with a comprehensive development plan for the improvement of Mt. Arayat, all areas attached to it, and all roads leading to and from it.

In view of the policy of the State to promote a tourism industry that is ecologically sustainable, responsible, participative, culturally sensitive, economically viable, and ethically and

socially equitable for local communities, as declared in Republic Act No. 9593, otherwise known as "The Tourism Act of 2009", the approval of this bill is earnestly recommended.
