House Bill No. 3282

**Introduced by Representatives ERIC GO YAP, JOCELYN PUA TULFO, and
ROWENA NIÑA TADURAN**

EXPLANATORY NOTE

The Filipino seafarers remain the unsung heroes of our time. Despite their number and all their contribution to the Philippine economy, their specific needs have been overlooked. According to the data released by the Philippine Overseas Employment Agency (POEA) from 2016 – 2017, our Filipino seafarers constitute thirty percent of the world's seafaring population.

The maritime industry is recognized as one of the fastest growing industries in the international arena. With their skills and hardwork, seafarers power the global economy. Trade would not be possible without the prowess of our seamen and women in charge of interisland, international, or intercontinental shipping.

The Philippines is a signatory of the Maritime Labour Convention (MLC), an international treaty which sets out the rights of the seafarers to decent conditions of work. In accordance, there is a need to establish a national policy to strengthen the commitment of the Philippines to the treaty. Also, the State has the responsibility to comply to global industry standards by the International Maritime Organization.

This bill seeks to strengthen the protection of our Filipino seafarers before, during, and after deployment. To protect our seafarers from abuse, this bill provides for regulation on the conditions on their recruitment, employment, and placement. Moreover, we recognize the shipowners as vital partners to guarantee the safety, security, and performance of our seafarers.

With the intent to ensure the safety and self-determination of the Filipino seafarers, this bills forwards the recognition of their rights, institution of mechanisms for the enforcement and protection thereof, provision of compulsory benefits, and implementation of standards indicated by the MLC (2016). More so, it seeks to forge accountability to specific institutions to warrant their dedication in protecting our seafarers.

This bill adopts the version of the same subject that was passed on third reading in the House of Representatives during the 17th Congress. In view of the foregoing, approval of this bill is earnestly sought.
