H. B. No. _____

Introduced by Representative TEODORICO "NONONG" T. HARESCO, JR.

AN ACT

MANDATING ALL MALE STUDENTS IN PUBLIC AND PRIVATE UNIVERSITIES, COLLEGES AND SIMILAR LEARNING INSTITUTIONS TO COMPLETE THE RESERVE OFFICERS TRAINING CORPS COMPONENT OF THE NATIONAL SERVICE TRAINING PROGRAM AS REQUISITE FOR GRADUATION, AMENDING FOR THE PURPOSE REPUBLIC ACT NO. 9163, OTHERWISE KNOWN AS THE "NATIONAL SERVICE TRAINING PROGRAM ACT OF 2001," AND FOR OTHER PURPOSES

EXPLANATORY NOTE

Section 4, Article II of the Philippine Constitution states that:

"The Government may call upon the people to defend the State and, in the fulfillment thereof, all citizens may be required, under conditions provided by law, to render personal, military or civil service."

The relevance of this provision now becomes more pronounced in the light of recent national security developments, especially events in the West Philippine Sea. Questions regarding the capability of our armed forces to defend Philippine sovereignty against incursions by foreign powers are being raised. Doubts on our defense capabilities seem validated by figures from the Armed Forces of the Philippines, showing how we sorely lack the required number of military reserve officers and enlisted personnel who can be mobilized in the event of an invasion or armed hostilities.

Alongside the security concerns is the need for emergency personnel for disaster rescue and relief which traditionally has been filled up by ROTC cadets and reservists. Climate change has increased the number of typhoons that frequent the Philippines which cause floods, landslides, sea mishaps and other typhoon-related calamities. There are also the imminent threats of catastrophic earthquakes, which

could impact major metropolitan areas, and long-overdue volcanic eruptions that could equal if not surpass that of Mt. Pinatubo. In the face of these multiple and varied dangers, there is a need to strengthen the ROTC program to produce citizens who are organized, trained and could easily be mobilized at a moment's notice with clear lines of command to ensure that humanitarian response to disasters are timely and adequate.

Furthermore, our country is facing challenging times and it is crucial that we strengthen our youth's vital role in nation building. The Reserve Officers' Training Corps (ROTC) program is a tested platform to instill love of country and good citizenship in our youth. It could serve as an effective tool in the campaign against criminality and illegal drugs which are now national concerns. This bill seeks to mandate all male students in public and private universities, colleges and similar learning institutions to complete the Reserve Officers' Training Corps (ROTC) component of the National Service Training Program as requisite for graduation, amending for the purpose Republic Act No. 9163.

Relative thereto, immediate passage of this bill is earnestly sought.
