

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

EIGHTEENTH CONGRESS

Second Regular Session

HOUSE BILL NO. 7148

INTRODUCED BY REPRESENTATIVE XAVIER JESUS D. ROMUALDO

EXPLANATORY NOTE

Under Section 33 of Republic Act (RA) No. 6975, or the Department of the Interior and Local Government Act of 1990, only non-commissioned officers of the Philippine National Police (PNP) who are licensed criminologists may be appointed to the rank of Police Lieutenant to fill up vacancies after promotions from the ranks are completed. This leaves out many non-commissioned officers and has led to a shortage of Police Lieutenants, which cannot be filled-up by the yearly graduates of the Philippine National Police Academy and by the promotion of Police Executive Master Sergeants to Police Lieutenant. This shortage is expected to grow with the continuous recruitment of non-commissioned officers into the PNP. The PNP also requires aeronautical or aircraft engineers and aircraft pilots in its ranks in order for it to effectively carry out its mandate.

Hence, this measure seeks to amend Section 33 of RA No. 6975 in order to allow non-commissioned officers and others who are professional license holders or have career service professional eligibility to become Police Lieutenants and allow for the lateral entry of aircraft engineers and pilots into the PNP as Police Lieutenants and Police Captains, respectively. If enacted into law, this measure will help the PNP maintain an effective, competent, and efficient police force.

Accordingly, the support of the Members of Congress for the prompt passage of this measure is earnestly requested.
