

Eighteenth Congress
Second Regular Session

HOUSE BILL NO. 7201

Introduced by Representative Michael B. Gorriceta

EXPLANATORY NOTE

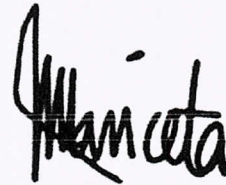

In recent years, the Municipality of Sta. Barbara and Pavia, in the Province of Iloilo, have seen an increase in its population due to the numerous housing developments and industries around the area. As of January 2020, the population of Sta. Barbara and Pavia has reached 65,119 and 58,187 respectively.

The current location of the 13th Municipal Circuit Trial Court in Brgy. Zone 2, Sta. Barbara, caters to clients from both the Municipalities of Sta. Barbara and Pavia. July 2020 data shows that out of one hundred ninety two (192) Criminal Cases, thirty eight (38) of those came from Sta. Barbara and one hundred fifty four (154) came from Pavia. Similarly, out of ten (10) Civil Cases, nine (9) of those belonged to Pavia and only one (1) from Sta. Barbara. Furthermore, out of the sixty seven (67) Small Claims Cases, forty six (46) came from Pavia and twenty one (21) from Sta. Barbara. As with marriages, Sta. Barbara had twenty four (24) couples and Pavia had seventeen (17) couples. This data is further reflected in the chart below:

AS OF JULY 2020	MUNICIPALITY OF STA. BARBARA	MUNICIPALITY OF PAVIA
CRIMINAL CASES	38	154
CIVIL CASES	1	9
SMALL CLAIMS CASES	21	46
MARRIAGES	24	17
TOTAL	84	226

This reflects the pattern that majority of the clients catered by the 13th Municipal Circuit Trial Court of Sta. Barbara and Pavia, came mostly from the Municipality of Pavia, and given its geographical location with at least 8.5kms between the town proper of both municipalities, it is rightfully fitting that the separation of the Sta. Barbara Municipal Circuit Trial Court be established. Furthermore, by creating an individual Municipal Trial Court for Sta. Barbara and Pavia, it shall present an opportunity for an accessible judiciary system, logistical consideration and efficient service.

In view of the foregoing, the approval of this Bill is earnestly sought.
