

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

EIGHTEENTH CONGRESS
Second Regular Session

House Bill No. 7394

Introduced by **Hon. ALAN 1 B. ECLEO**

EXPLANATORY NOTE

It shall be the policy of the State to promote the well-being of farmers by providing an environment in which they can increase their income, improve their living conditions and maximize their contributions to the national economy, to accelerate agricultural development and enhance the production of agricultural crops by optimizing the use of resources and applying advanced farming systems/modern technology with the end in view of attaining food security for domestic use and expanding/diversifying agricultural production for export.

Pursuant to the National Economic and Development Authority's (NEDA) 2018 Regional Economic Situationer, the total production of root crop commodities in Caraga region decreased by 5.70 percent from 21,095 MT in Q4 2017 to 19,894 MT in Q4 2018 due to lower produce generated for sweet potato by 9.37 percent. Particularly, apropos Major Crops Statistics of the Philippines 2014 released by the Philippine Statistics Authority (PSA), it shows that Dinagat Islands has the lowest yield of root crops in the region, with only 483 volume of production in metric ton in a 85 hectare harvested area for sweet potato and 468 volume of production in metric ton in a 166 hectare harvested area for cassava. It is also worth noting that the said production starkly decreased compared to 2013 production of 732 MT in an increased area of 158 hectares and 586 MT in a decreased area of 140 hectares for respective root crops. As can be gleaned from the data, the production is not dependent on the area harvested.

In 2016, it has been reported that Dinagat Islands is abundant in cassava. This has paved the way for the Department of Science and Technology (DOST) to conduct a two-day Root Crop Based Products training in the province. However laudable as it is, Dinagat Islands is a far-flung and remote province compared to others, hence, necessitating intensive assistance for agricultural strategies in order to utilize the richness of its root crops. Further, considering that the province is rice deficient as it is still dependent on Surigao City for rice allocation, having readily available and accessible root crops is a good substitute to keep up with the pressing food requirements of the Dinagatnons.

Hence, the establishment of a Provincial Root Crop Center in the Municipality of Libjo, Province of Dinagat Islands is hereby requested to promote root crop diversification and to ensure that food productivity, availability and sufficiency is attained.

In view of the foregoing, the approval of this bill is earnestly sought.

ALAN B. VECLEO

Representative, Lone District of Dinagat Islands

Republic of the Philippines
HOUSE OF REPRESENTATIVES

EIGHTEENTH CONGRESS
Second Regular Session

House Bill No. 7394

Introduced by **Hon. ALAN 1 B. ECLEO**

**AN ACT ESTABLISHING THE PROVINCIAL ROOT CROP CENTER IN THE
MUNICIPALITY OF LIBJO, PROVINCE OF DINAGAT ISLANDS AND
APPROPRIATING FUNDS THEREFOR**

*Be it enacted by the Senate and the House of Representatives of the
Philippines in Congress assembled:*

SECTION 1. There shall be established and maintained, under the direct supervision of the Bureau of Plant Industry, a provincial Root Crop Center in the Municipality of Libjo, Province of Dinagat Islands to be known as the Dinagat Root Crop Center for the purpose of ensuring the development of crop production, promoting various crop farming technologies, and improving crop varieties accessible to our farmers and the general people.

SEC. 2. The Secretary of Department of Agriculture shall immediately include in the agency's programs the operationalization of the Dinagat Root Crop Center, the initial funding of which shall be charged against the current year's appropriation of the Department of Agriculture. Thereafter, the amount necessary for the continued operation of said Dinagat Root Crop Center shall be included in the annual General Appropriations Act.

SEC. 3. *Implementing Rules and Regulations.* Within six (6) months following the effectivity of this Act, the Secretary of Agriculture shall promulgate the necessary rules and regulations for the effective implementation of this Act.

SEC. 4. *Separability Clause.* Should any part or provision of this Act be held unconstitutional or invalid, the provisions which are not affected thereby shall continue to be in full force and effect.

SEC. 5. *Repealing Clause.* Any other law, issuance or part thereof inconsistent with this Act are hereby repealed or modified accordingly.

SEC. 6. *Effectivity.* This Act shall take effect fifteen (15) days after its publication in the Official Gazette or in two (2) newspapers of general circulation.

Approved,
