

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

EIGHTEENTH CONGRESS
Second Regular Session

HOUSE BILL NO. 7941

Introduced by **HON. JOY MYRA S. TAMBUNTING**

EXPLANATORY NOTE

With recent advancements in technology comes the need for updating of institutions. As we enter the digital age, schools, offices and other institutions are adopting new technologies to make learning, work and other processes more efficient.

Republic Act No. 7743 "An Act Providing for the Establishment of Congressional, City, and Municipal Libraries and Barangay Reading Centers Throughout the Philippines" was enacted with the goal of increasing the literacy rate of our citizens. Libraries are important community hubs that serves as centers of learning and professional development. Presently, learning institutions are moving towards incorporating newer (digital) forms of educational materials to their databases. Considering this, libraries (as centers for learning) should not lag behind and ensure that they are equipped with the latest technologies that will provide communities better access to information.

This measure reaffirms the essential role of public libraries as knowledge hubs by providing for the upgrading and strengthening of the public library system. As provided in this measure, libraries shall offer more services that would benefit the community such as free access to WIFI; affordable rentals of ICT equipment such as smartphones, tablets, laptops, desktops and mobile hotspots; and the provision of webinars and online training modules for personal and professional development.

On behalf of the people of Parañaque City's Second District, and for the common good of the Filipino people, the approval of the said measure is earnestly sought.

REP. JOY MYRA S. TAMBUNTING
2nd District, Parañaque City

NOV 16 2020

Republic of the Philippines
