

REPUBLIC OF THE PHILIPPINES
HOUSE OF REPRESENTATIVES

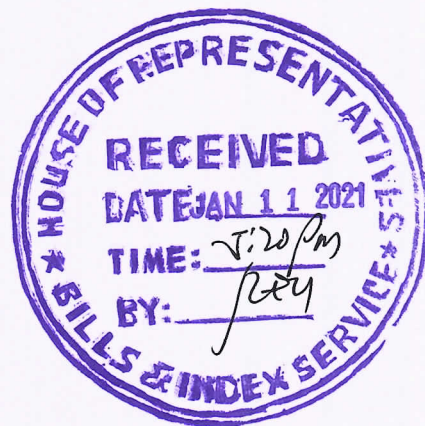

Quezon City

EIGHTEENTH CONGRESS

Second Regular Session

8328

House Bill No. _____

Introduced by **MAGDALO Party-list Representative**

HON. MANUEL DG. CABOCHAN III

EXPLANATORY NOTE

According to the 2016 National Disability Prevalence Survey, disability prevalence was recorded at 12 percent for Filipinos age 15 and older. From this number, 47 percent experience moderate disability while 23 percent have mild disability. Further, older generations with almost one-third of the population age 60 or older are afflicted with a severe disability.¹

Persons with disabilities (PWDs) remain as one of the most vulnerable sectors of society. Given the high percentage of persons with a disability, there is a need for more social protection measures to be granted to them. Moreover, PWDs continue to bear exorbitant expenses because of their conditions.

Working towards equity, this bill seeks to grant a cash gift of P1,000.00 to registered PWDs during their natal day to help ease their financial burden. It shall express our support to our PWDs as valued members of society.
