HOUSE BILL NO. 8340

Introduced by **HON. LUIS RAYMUND "LRAY" F. VILLAFUERTE, JR.**

**AN ACT ESTABLISHING THE NATIONAL POLICE CLEARANCE SYSTEM,
PROVIDING FUNDS THEREFOR AND FOR OTHER PURPOSES**

This proposed measure seeks to establish and institutionalize a National Police Clearance System (NPCS) in order to consolidate and connect information into a centralized police clearance database.

It is unfortunate that our local police databases are not integrated in today's era of massive innovation and technology. The lack of integration makes police clearance as requirement for employment and other legal purposes almost worthless. Any person with a criminal record can simply go to a police station of another jurisdiction to reflect a clean record.

With the NCPS, a centralized crime-related record checking nationwide will result in a standardized and streamlined police clearance application, convenient online application portal and an integrated PNP's crime-related database. This way, police service can be efficient and, at the same time, effective.

In view of the foregoing, the approval of this bill is most earnestly sought.
