HOUSE BILL NO. 8465

Introduced by **HON. LUIS RAYMUND "LRAY" F. VILLAFUERTE, JR.**

AN ACT
PROVIDING FOR AUTOMATIC MEMBERSHIP OF PROFESSIONALS
IN THEIR RESPECTIVE ACCREDITED PROFESSIONAL ORGANIZATIONS

The Constitution, Article XII, Section 14, provides:

The sustained development of a reservoir of national talents consisting of Filipino scientists, entrepreneurs, professionals, managers, high-level technical manpower, and skilled workers and craftsmen in all fields shall be promoted by the State.

P.D. No. 223, created the Professional Regulation Commission (PRC) which is tasked to administer, implement, and enforce regulatory policies of the national government with respect to the regulation and licensing of the various professions and occupations under its jurisdiction, including the maintenance of professional and occupational standards and ethics and the enforcement of the rules and regulations relative thereto.

According to the National Statistics Office (NSO), there are more than forty (40) recognized professions in the country. Each of these professions has their own organizations or associations. Unfortunately, many professionals, for some reason or another, fail to become members of such organizations or associations. Thus, these professionals are unable to avail of benefits given to members.

This bill seeks to address this problem by mandating that all examinees who pass the PRC licensure examination shall automatically become members of their respective accredited professional organization upon compliance with the membership requirements.
