HOUSE BILL NO. 8530

Introduced by **HON. LUIS RAYMUND "LRAY" F. VILLAFUERTE, JR.**

AN ACT
GRANTING WOMEN EQUAL OPPORTUNITY TO ATHLETIC SCHOLARSHIP
AND TO PRIZES OF SPORTS

The Constitution, Article II, Section 14, provides, "The State recognizes the role of women in nation-building, and shall ensure the fundamental equality before the law of women and men." In society like ours, the equality of the sexes should be an old issue not worthy of the slightest of attention.

Sports does not only bring people together, it also develops other aspects of a person. This is not only applicable to men but also holds true for women. There is substantial evidence that women and girls who participate in sports have better physical and emotional health than women and girls who do not participate, and that participation in athletics can improve academic achievement.

The field of sports was not spared from sex discrimination. Again, the discrimination is detrimental to the interest of women. Despite the assurances of the Constitution, a significant gap remains between the athletic opportunities available to men and the athletic opportunities available to women. This bill seeks to grant women equal sport opportunities with men - "to level the playing field" so to speak with regard to the opportunities available to women and men in the province of sports. In a wider perspective, this bill equips women with the capacity to play a major role in nation-building.
