Second Regular Session

HOUSE BILL NO. 8766

Introduced by **HON. EDGAR M. CHATTO**
First District, Bohol

EXPLANATORY NOTE

The Central Visayas region is composed of four provinces separated by seas. Hence, public transactions are always a challenge specially where all regional offices of Departments are located at Cebu City.

The presence of the Commission on Higher Education (CHED) office only at Cebu City poses such problem. The Province of Bohol is home to around 24 higher education institutions – both public and private. Students who need to apply for financial assistance, grants and scholarships as well as those who need to secure eligibility and other documentary requirements for employment and other education purposes are compelled to travel to Cebu for their transactions.

Hence, to avoid the unnecessary expenses, effort and waste of time, the establishment of a field office of the CHED in the province of Bohol is a necessary move. It further serves as an affirmation of the call of the President, His Excellency Rodrigo R. Duterte, to improve the delivery of public services in the provinces.

In view of the foregoing considerations, the passage of this law is earnestly sought.
