HOUSE BILL NO. _____

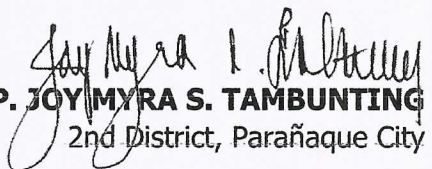

Introduced by **HON. JOY MYRA S. TAMBUNTING**

EXPLANATORY NOTE

The National Child Development Center (NCDC) is the community-based flagship program of the Early Childhood Care and Development (ECCD) Council which serves as the ground level venue of the implementation of ECCD activities, particularly the Early Learning Program and the Family Support Program. Amongst the goals of NCDC is to: (1) introduce best practices of the integrated early childhood care and development services to children aged zero (0) to four (4); (2) serve as a laboratory for conducting research and innovations about ECCD that will promote the continuing education and/or professionalization of ECCD service providers; and (3) become the resource center for the community to enhance parenting skills and capabilities.

Since the implementation of Republic Act No 10410, otherwise known as the Early Years Act of 2013, a total of 691 NCDCs has been established across the country. Truly, this has been a laudable move towards strengthening the thrust for early childhood care and development. To further sustain this move towards the full realization of the rights of children to be provided with health care, education, an appropriate standard of living, family life, and other services, this measure seeks to amend Section 11 of RA 10410 to provide additional source of funds for the establishment of National Child Development Centers and conversion of existing Day Care Centers into Child Development Centers in various local government units.

On behalf of the people of Parañaque City's Second District, and for the common good of the Filipino people, the approval of the said measure is earnestly sought.
