

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

EIGHTEENTH CONGRESS
Second Regular Session

HOUSE BILL NO. 8874

Introduced by Representative Florida P. Robes

EXPLANATORY NOTE

The National Housing Authority (NHA) acts as the principal government agency mandated with the nationwide production of comprehensive and well-planned human settlement for the homeless, marginalized, and low-income families. Likewise, it is assigned to harness and promote private participation in housing ventures in terms of capital expenditures, land expertise, financing and other facilities for the sustained growth of the housing industry. By virtue of Republic Act No. 11201, NHA was placed under the administration supervision of the Department of Human Settlement and Urban Development (DHSUD) and tasked to continue functioning as the government's production and financing arm in housing.

Over decades, the magnitude of the housing problem in the Philippines has continually grown into such proportions that only a reinvigorated mass housing development program and reorganized implementing agency can meet the shifting needs of Filipino families for decent dwellings as well as bring affordable housing within their reach.

The strengthening of the NHA is long overdue. Its corporate powers, board composition, as well as existing organizational structure and personnel complement were formulated way back in 1975 and has not been amended and improved operationally since then despite the increasing work performed in discharging its mandate. To ensure that the NHA shall be able to adopt to the changing conditions, the expansion of its corporate powers, restructuring of its board as well as increase in the number of its organic personnel with the corresponding adjustment in their compensation and benefits are inevitable.

This bill seeks to institutionalize a new and truly revitalized housing agency that will implement long-term, continuing, integrated, and coordinated programs for national housing development. This is consistent with the National Government's thrust to ensure "a continuing program of urban land reform and housing, which will make available at affordable cost decent

housing and basic services to underprivileged and homeless citizens in urban centers and resettlement areas.”

In view of the foregoing reasons, the immediate approval of this bill is earnestly sought.
