House Bill No. 9237

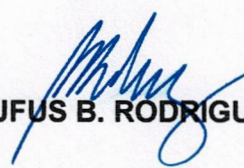

EXPLANATORY NOTE

This bill seeks to establish a fish port in Barangay Bulua in the 1st District of Cagayan de Oro City.

There is a need for this proposed fish port because majority of the residents of the barangay are small-time fisher folks who mainly rely on fish and marine resources for their livelihood and daily subsistence. It will provide an avenue for trade and give these fisherfolk access to consumers and vice versa. It will also be a place for the fishermen to refuel, resupply, and dry-dock their small fishing vessels.

Once established, the fish port facilities will surely uplift the livelihood of fishermen and fish workers in the barangay and will be a big step in modernizing the fisheries sector which will lead to sustainable fishing and conservation of fishing grounds.

In view of the foregoing, immediate passage of this measure is earnestly requested.
