Eighteenth Congress
Second Regular Session

HOUSE BILL NO. 9485

Introduced by Honorable FLORIDA P. ROBES

EXPLANATORY NOTE

This Bill seeks to convert the San Jose Del Monte – Marilao Road, presently classified as a provincial road into a national road.

The San Jose Del Monte – Marilao Road in the City of San Jose Del Monte is a 2.0 kilometer stretch of roadway starting from the crossing area of Barangay Muzon to Barangay Loma De Gato of Marilao, Bulacan. The volume of traffic in this roadway is heavy as it is often plied by commuters and transport vehicles carrying goods and services to and from the City via the adjoining town of Marilao to the North Luzon Expressway. The road also serves as a major transport artery for heavy trucks loaded with bulk of cement products transported from the cement plants in nearby town of Norzagaray.

The existing roadway is in a state of disrepair because the provincial government cannot provide the necessary maintenance funds.

It is in the light that the early approval of this Bill is earnestly sought.
