Third Regular Session

House Bill No. **10081**

Introduced by Representative EVELINA G. ESCUDERO

EXPLANATORY NOTE

The Nagsipit Falls has become a famous tourist destination located in Barangay Inlagadian despite being the most remote barangay in the Municipality of Casiguran, Sorsogon.

However, the road network leading to the waterfalls remains classified as a local road maintained and rehabilitated by the local government unit of the Province of Sorsogon. The limited resources of the provincial government hinder it from sufficiently allocating annually what this vital road network actually needs for its upkeep.

Therefore, this bill seeks to convert the road network connecting Brgy. Escuela to Brgy. Inlagadian in the Municipality of Casiguran from being a Provincial Road into a National Road to ensure that it will be efficiently maintained by the Department of Public Works and Highways with adequate funding from the national government.

In view of the foregoing, approval of this bill is earnestly sought.
