House Bill No. 10168

EXPLANATORY NOTE

Cagayan de Oro City is a 1st class highly urbanized city in Northern Mindanao. It is the capital of the province of Misamis Oriental. According to data from the Philippines Statistics Authority, it has a population of 728,402.

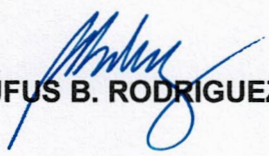

Cagayan de Oro is also considered the regional center and business hub of Northern Mindanao. Business and trade in the City are booming bringing with it numerous investment and development opportunities.

Cagayan de Oro was previously cited by the United Nations as an "emerging city of tomorrow" and was previously named by the Department of Trade and Industry as the country's "Top 5 Most Competitive City".

With this and the increasing population, unfortunately, the Courts in the City are being overwhelmed, resulting in the unintentional violation of the people's right to "a speedy disposition of their cases before all judicial, quasi-judicial, or administrative bodies".

Hence, this proposed bill to create an additional two (2) branches of the Municipal Trial Court in Cities in Cagayan de Oro City to address the backlog of cases in the City.

In view of the foregoing, immediate approval of this measure is earnestly requested.
