

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

EIGHTEENTH CONGRESS
Third Regular Session

HOUSE BILL NO. 10299

Introduced by **HON. JOY MYRA S. TAMBUNTING**

EXPLANATORY NOTE

Literacy plays a vital role in transforming students into socially engaged citizens. It enables people to participate fully in society and contributes to the improvement of livelihood. As such, the importance of literacy in today's society and to our country cannot be over emphasized.

The concept of literacy has evolved a lot from its conventional concept of basic reading, writing and numeracy skills. It now includes broader notions such as functional literacy and a foundation for lifelong learning. The Philippine Statistic Authority reported in December 2020 that the country's 2019 functional literacy rate is estimated at 91.6% which translates to 73.0 million out of 79.7 million Filipinos aged 10 to 64. While our country's functional literacy rates were higher in 2019 than in 2013, there is still much to be done to improve our literacy rates.

This measure shall rename the Literacy Coordinating Council (LCC) established under Republic Act No. 7165 to National Literacy Council. The National Literacy Council shall serve as the lead inter-agency coordinating and advisory body to the various agencies, LGUs and the private sector regarding measure for the universalization of literacy. The Council is likewise mandated to formulate a three-year roadmap that shall serve as the country's guide to achieving zero illiteracy. This measure also proposes for Local School Boards established under Republic No. 7160 to serve as local literacy councils across levels of LGUs. They shall serve as the coordinating and advisory bodies at the local level.

On behalf of the people of Parañaque City's Second District, and for the common good of the Filipino people, the approval of the said measure is earnestly sought.

REP. JOY MYRA S. TAMBUNTING
