HOUSE BILL NO. 10441

Introduced by **HON. LUIS RAYMUND “LRAY” F. VILLAFUERTE, JR.**

AN ACT
ESTABLISHING A PHILIPPINE SCIENCE HIGH SCHOOL (PSHS) IN THE
MUNICIPALITY OF LIBMANAN, PROVINCE OF CAMARINES SUR AND
APPROPRIATING FUNDS THEREFOR

This proposed measure seeks to establish a Philippine Science High School (PSHS) – Libmanan Campus in the Province of Camarines Sur.

Establishing a PSHS in Libmanan would provide accessible quality education to deserving students who excel in the fields of math, science and technology. Science and technology are an integral part of modern life. From a nation building standpoint, science education and training are a high priority for development because of their links to industry and progress.

Science skills and reasoning are important in an increasingly technologically advanced world. Other than a career in science, the training is also valuable in teaching the youth how to think, learn, solve problems and make informed decisions.

In view of the foregoing, the immediate passage of this bill is earnestly sought.

LUIS RAYMUND “LRAY” F. VILLAFUERTE, JR.
