HOUSE BILL NO. 147

Introduced by **HON. FERNANDO T. CABREDO**

EXPLANATORY NOTE

This bill proposes the conversion of the Jovellar, Albay Road - Banwang Gurang, Donsol, Sorsogon into a national road. This road encompasses the ports of Pioduran in the province of Albay, and Pilar in the province of Sorsogon, and the Bicol International Airport.

Since its construction, the road has fallen into disrepair due to lack of funds for its maintenance from the Provincial Governments of Albay and Sorsogon. This is unfortunate as a well-maintained road system leads to better mobility of people, goods and services across the communities that make use of it. This road will provide easier transport for agricultural goods and farm produce between Albay and Sorsogon. Moreover, good roads will lessen the travel time of the numerous eco-tourists going to Donsol via Albay.

National funds can better cover the cost of road maintenance and improvement of this road and in view thereof, the approval of this bill is urgently sought.
