1st Regular Session

House Bill No. 455

Introduced by Representatives JEFFREY SORIANO, ERIC G. YAP, PAOLO Z. DUTERTE, EDVIC G. YAP, JOCELYN P. TULFO, and RALPH TULFO

EXPLANATORY NOTE

Section 9, Article XIII of the Constitution provides for the duty of the state to undertake, in cooperation with the public sector, a continuing program of urban land reform and housing which will make available at affordable cost decent housing and basic services to underprivileged and homeless citizens in urban centers and resettlements areas.

According to the Philippine Statistical Authority, about 4.5 million Filipinos are homeless—3 million of them are found in Metro Manila. Among the main causes of homelessness are poverty, domestic violence, human trafficking, and natural disasters. Given the rising unemployment and loss of livelihood due to the proliferation of the COVID-19 pandemic, these numbers are expected to rise even more.

Following the very recent institutionalization of the Department of Human Settlements and Urban Development by virtue of Republic Act No. 11201, a comprehensive formal housing such as rental subsidy which is accessible to the homeless would further assert the establishment of this newly created department.

This bill seeks to provide illegal settlers access to affordable formal housing market through the aid of rental subsidy. Moreover, this would also serve as a response to the families who are suddenly displaced due to natural and man-made disasters.

Most importantly, this proposed measure would allow our citizens to have an alternative housing option for the furtherance of their welfare and security.

In view of the foregoing, approval of this bill is earnestly sought.
