NINETEENTH CONGRESS
First Regular Session
House Bill No. 610

INTRODUCED BY REPRESENTATIVE ARNOLFO "ARNIE" A. TEVES, JR.

AN ACT
RENAMING THE NINYOY AQUINO INTERNATIONAL AIRPORT TO
FERDINAND E. MARCOS INTERNATIONAL AIRPORT

EXPLANATORY NOTE

In 1987, Manila International Airport (MIA) was renamed Ninoy Aquino International Airport (NAIA) during the term of the late President Cory Aquino through Republic Act No. 6639. The name was based on her late husband, Ninoy Aquino who was assassinated at the airport.

It is more appropriate to rename it to the person who has contributed to the idea and execution of the said noble project. This project was done during the time of the presidency of Ferdinand Marcos Sr.

It is more appropriate to bear the name that has contributed and legacy in our country to make the Philippines a center of international and domestic air travel, who has instituted and built or conceptualized the project in making pride of our country.

In view of the foregoing, approval of this bill is highly and earnestly recommended.
