House Bill No. 772

Introduced by Representatives **EDDIEBONG G. PLAZA** and **ALFEL M. BASCUG**

Explanatory Note

The 1987 Constitution acknowledges the vital role of local governments and mandates that they evolve into self-sufficient communities. Through the implementation of Republic Act No. 7160, often known as the Local Government Code of 1991, local government units, including the barangays, become a more effective and efficient partner in achieving the fundamental objectives of the national government apart from being the state's indispensable arm in implementing its laws, policies, and programs.

According to Republic Act No. 7160, "a barangay is the basic political unit that serves as the primary planning and implementing unit of government policies, plans, programs, projects, and activities in the community, as well as a forum wherein the collective views of the people may be expressed, crystallized, and considered, and where disputes may be amicably settled." As a result, barangays have a more direct and immediate access to the demands of the people, making them critical to the enhancement and calibration of public service delivery and execution in the local domain. It is but essential to support barangays so that they can develop into self-sufficient communities and effective partners of the national government.

In accordance with the Constitution, this bill seeks to establish Barangay Kapda in the Municipality of Loreto, Agusan del Sur, and provide the political unit a fair share of the national taxes.

In view of the foregoing, the approval of this bill is earnestly sought.
