

Republic of the Philippines
HOUSE OF REPRESENTATIVES

NINETEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 1029

Introduced by ELEANDRO JESUS F. MADRONA

EXPLANATORY NOTE

This bill seeks to convert the road network connecting Barangay Tuguis in the Municipality of Odiongan to Barangay Tugdan in the Municipality of Alcantara, all within the Province of Romblon, into a national road.

Once converted into a national road, it will facilitate faster and efficient transportation of basic goods and the delivery of necessary services. It shall likewise promote livelihood opportunities, encourage competitive flow of investment, and ultimately enhance the economic and social living conditions, not just for the people living along such roads, but to the whole province of Romblon as a whole.

This local road if converted to national road, will be an addition to our existing national roads that will be funded and maintained by the national government, thus, the provincial government will be spared from spending funds for its maintenance, repair and improvements and thereby saving said local funds which in turn can be used to address some other concerns of the province.

In line with and in support to the administration's infrastructure program and Build, Build, Build policy, as well as in devising measures for a safe, convenient and shortened travel time in Romblon island, passage and approval of this bill is earnestly sought.
