HOUSE BILL NO. _____

INTRODUCED BY REPRESENTATIVE ADRIAN MICHAEL A. AMATONG

EXPLANATORY NOTE

This measure seeks to establish a separate Schools Division Office for all basic education schools in the 3rd Legislative District of Zamboanga del Norte, to be located in the Municipality of Liloy, Province of Zamboanga del Norte.

Schools division offices are the primary support structure in school operations. As such, they exercise direct administrative supervision over schools and align their functions and activities toward addressing the urgent problems at the school level.

At present, the Schools Division Office of Zamboanga del Norte, which has jurisdiction over the basic education schools in the 3rd District of Zamboanga del Norte, is located in Dipolog City. However, the distance from Dipolog City to Leon B. Postigo, the northernmost municipality under the 3rd District of Zamboanga del Norte, is approximately 105.8 kilometers, with average travel time of 2 hours and 25 minutes. On the other hand, the distance from Dipolog City to Sibuco, the southernmost municipality of the district, is approximately 283.7 kilometers, with average travel time of 6 hours and 24 minutes. Not only is this great distance and long travel physically taxing on teachers and principals who file documents and report to the Division Office, it also wastes a lot of their valuable time which would have otherwise been used for preparing their lessons, checking their students' works, and doing necessary works.

Moreover, for the school year 2020-2021, the Schools Division Office of Zamboanga del Norte has jurisdiction over 753 schools, 8,609 teachers, and 1,893 non-teaching employees. Ideally, a Schools Division should only comprise of 800 to 1000 teachers. This huge number of personnel under the existing Divisions Office creates difficulty in communication of immediate standard actions and memoranda.

If this bill will be enacted, the existing Schools Division Office of Zamboanga del Norte will be divided into two. The Zamboanga del Norte- Schools Division Office I will retain supervision over the schools in the 1st and 2nd Legislative Districts of Zamboanga del Norte, with 414 schools, 4,659 teachers, and 119,245 enrollees. On the other hand, the proposed Zamboanga del Norte- Schools Division Office II will have supervision over the schools in the 3rd Legislative District of Zamboanga del Norte, with 336 schools, 3,950 teachers, and 108,355 enrollees. While still above the ideal composition of only 800-1000 teachers, the division of the existing Schools Division Office of Zamboanga del Norte will make it easier to manage and provide technical assistance to the teachers and personnel of the Department of Education in Zamboanga del Norte.

It is also noteworthy that this proposal to create a separate Schools Division Office in the Third District of Zamboanga del Norte came from the existing Schools Division Office of Zamboanga del Norte itself. Thus, establishing a separate schools division office for the schools in the 3rd District of Zamboanga del Norte will not only help the teachers and principals, but will also improve the Department of Education's desire to provide efficient, effective, and responsive services to the constituents.

In view of the foregoing, the approval of this bill is earnestly sought.
