HOUSE BILL NO. 1145

Introduced by REP. FAUSTINO 'INNO' A. DY V

EXPLANATORY NOTE

Athletics, and the whole-hearted support for Filipino athletes, hold a revered place in the 1987 Constitution. It sets as policy that "The State shall give priority to ... sports to **foster patriotism and nationalism, accelerate social progress and promote total human liberation and development**". (Sec. 17, Art. II, 1987 Constitution.) It likewise mandates that "The State shall promote physical education and encourage sports programs, league competitions, and amateur sports, including training for international competitions to **foster self-discipline, teamwork, and excellence for the development of a healthy and alert citizenry**." (Sec. 19, Art. XIV, 1987 Constitution.)

In line with this, the Sangguniang Panlungsod of Cauayan passed a Resolution requesting the assistance of the national government to help realize the Cauayenos' collective hope for the establishment of a sports academy and training center in the city. Entitled *A Resolution Strongly Supporting the Establishment of a Regional Sports Academy in the City of Cauayan, Isabela and Calling Upon All National and Local Agencies for the Speedy Realization of Such Project* (Resolution No. 2021-030, 23 March 2021), the Resolution sought to further improve the city's sports facilities and to provide better training grounds for the city's athletic youth, providing that:

"... it is essential to extend the City Government's commitment to our existing athletes and other potential athletes, by giving them proper equipment, better venue for training and appropriate and suitable training program that will further improve and enhance their skills;"

Moreover, aside from the athletic and civic benefits, establishing a sports academy and training center in Cauayan City will help spur economic activity in the area. Employment and business opportunities will be created especially in the construction, tourism and food sectors. This will be very helpful as the local economy recovers from the effects of the COVID-19 pandemic.

Indeed, sports are vital to a healthy democracy and economy.

In view of the foregoing, the immediate approval of this bill is earnestly sought.
