House Bill No. 1886

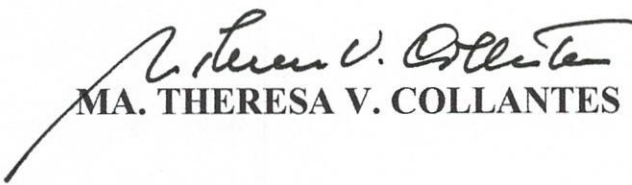

Introduced by **HON. MA. THERESA V. COLLANTES**

EXPLANATORY NOTE

This bill seeks to name the Taal Lake Circumferential Road to Assemblyman Manuel Collantes to honor and pay tribute to the legacy of Assemblyman Manuel Collantes, who served as a Diplomat, Minister of Foreign Affairs and later on as Assemblyman for the Province of Batangas.

Manuel Collantes is a man of integrity, morals and vision, a selfless leader who committed his life in service of the Filipino. He was born and raised in Tanauan City, Batangas. He earned his law degree from the Far Eastern University in 1940 and passed the bar exam in the same year. He was a professor in the same university teaching diplomacy, international law and parliamentary practice.

It is fitting that this road be named after a man who espoused patriotism and love of country, given that this road traverses one of the most beautiful areas in the Philippines, the Taal Lake and Taal Volcano. Hence, the passage of this bill is earnestly sought.
