HOUSE BILL NO. 1964

Introduced by Representative Adrian Jay "AJ" C. Advincula

EXPLANATORY NOTE

This bill seeks to convert the road situated in the Imus Boulevard, Province of Cavite into a National Road.

The City of Imus is considered as one of the fast-growing cities with an average growth rate of 22% during the last three years. Its growth is attributed to its proximity to Manila, economic friendliness and availability of manpower resources from its vocational school. It is also known for its accelerating point of trading, commercial and industrial opportunities in the locality.

To assure the City's unhampered development it requires access roads and development of infrastructure to be of service to benefit every Imuseños and entrepreneurs, both micro and macro; expeditious transport of goods and services but not compromising the safety of the residents of the City.

This proposed conversion into a national road if approved will expedite the socio-economic development of the City of Imus. It will also serve as easier gateways to its neighboring cities and municipalities.

In view of the foregoing, the immediate passage of this bill is most earnestly sought.
