HOUSE BILL NO. 2030

Introduced by Representative Ivan Howard Guintu

EXPLANATORY NOTE

Affordable housing affects all sectors of society, especially public school teachers. A stable housing program for public school teachers provided by the State would ease the burden on our educators and improve their living conditions. Adequate and decent housing for teachers is fitting to honor their service of educating the next generation of citizens to be productive members of society.

The proposed bill will institute a housing program for teachers by providing funds through loans at affordable interest rates and long-term repayment period. It also seeks to involve the private sector in providing housing units exclusively for teachers through the grant of fiscal incentives.

In view of the foregoing, the passage of this bill is earnestly sought.
