House Bill No. **2492**

Introduced by HON. MA. THERESA V. COLLANTES

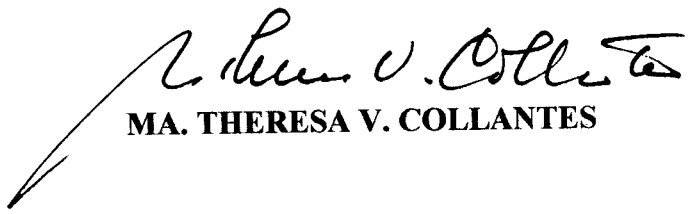

EXPLANATORY NOTE

This bill seeks to include the Punong Barangays in the coverage of Government Service Insurance System (GSIS).

The Punong Barangay is the first line of access to the delivery of government services to our people. They play a vital role in identifying the needs of the people, finding solutions to those needs and keeping the peace. More often than not, the Punong Barangay performs these functions and forgets his own personal needs.

With the approval of this bill for the inclusion of the Punong Barangay in the GSIS coverage will grant them benefits such as retirement, separation and other programs of GSIS. This will serve as way of recognition to their sacrifices, dedication and valuable contribution to our community in helping our government as frontliners in delivering its programs to our countrymen.

In view of the foregoing, approval of this bill is earnestly sought.
