NINETEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 3145

Introduced by Rep. Mohamad Khalid Q. Dimaporo and Rep. Sittie Aminah Q. Dimaporo

EXPLANATORY NOTE

The Lanao del Norte Electric Cooperative (LANECO) is a duly authorized distribution utility and holder of Exclusive Certificates of Franchise from the National Electrification Commission to convey electricity to end users in most of the municipalities of Lanao del Norte. Pursuant to Section 27 of Republic Act 9136, otherwise known as the EPIRA Law, the power to grant franchises shall be vested exclusively in the Congress of the Philippines. Hence, this bill seeks to grant a congressional franchise to LANECA to realize the One Province, One Electric Cooperative. The new franchise will include the municipalities serviced by the Lanao del Sur Electric Cooperative (LASURECO) but are part of the Province of Lanao del Norte.

To properly address the electricity problems in the Province of Lanao del Norte, LANECA promises to the people of Lanao del Norte that it will perform its duties and functions in accordance to its mandate. LANECA's 44 years is a testament to its commitment to the people of the Province of Lanao del Norte, and with the addition of the remaining towns of Lanao del Norte to the service area of LANECA, the One Province, One Electric Cooperative directive should be fully attained.

The enactment of this bill will not only pave the way to the full development and success of LANECA but it will also bring forth progress to the Province of Lanao del Norte. The whole province of Lanao del Norte will be serviced by its very own homegrown electric cooperative, and the commitment of LANECA to the people to provide the best service in terms of quality and efficient electricity service will therefore be beneficial to the whole province.

The existing franchises of both the LANECA and LASURECO, upon the approval of this bill, will therefore be modified accordingly in lieu of the congressional franchise granted to LANECA.

As a refiled bill from the previous Congress, and in view of the foregoing, the approval of this bill is earnestly sought.
