

REPUBLIC OF THE PHILIPPINES
HOUSE OF REPRESENTATIVES
QUEZON CITY

NINETEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 3171

Introduced by **HON. IRWIN C. TIENG**

EXPLANATORY NOTE

Almost everywhere, shopping malls, hotels, restaurants, hospitals and other commercial establishment allot parking spaces. These entities have practically built a whole new business anchored entity on making money out of their car-parking facilities that should have been available for free to their customers. Because these parking lots offer convenience, they are patronized by their clients. What is disappointing is that despite the customers paying the fees, the owners or the management of these establishments do not claim responsibility and liability for the damage of the parked vehicles or the loss of belongings therein. This is contrary to the essence of the Consumer Act of the Philippines (R.A. 7394) which supposedly protects consumers against abuses by setting the standards or suitable conduct for business and industry.

There are many reported cases of accidents and robbery, and even loss of vehicles in the parking lots. These vehicles and belongings of the clients of business entities are no longer safe despite the presence of the guards. For being clients of these establishments. Don't they deserve a certain consideration from the owners, operators and managers.

It is for this reason that the immediate passage of this bill is most earnestly requested.
