HOUSE OF REPRESENTATIVES

H. B. No. 3181

Introduced by Representative Ralph G. Recto

AN ACT
PROVIDING SOCIAL SECURITY BENEFITS FOR BARANGAY OFFICIALS AND
VOLUNTEER WORKERS, APPROPRIATING FUNDS THEREFOR AND FOR OTHER
PURPOSES

EXPLANATORY NOTE

Barangay officials and volunteer workers, due to their proximity to the people, are the front-line civil servants and primary public service providers on matters concerning public health, public order and safety, alternative dispute resolution, and disaster risk reduction and management. As such, the success of government plans, programs and projects, especially in the remote areas of the country, depends considerably on the capacity of the barangay government to implement the laws and execute government interventions.

Despite the Herculean task the national government has imposed on barangay officials and volunteer workers, the national government has yet to provide them with the remuneration that is commensurate with the role they perform in public service delivery. To date, barangay officials and volunteer workers such as barangay secretaries, barangay treasurers, barangay health workers, barangay nutritionists, barangay tanods, barangay social workers, and other barangay workers are ranked the lowest among all civil servants in terms of remuneration, benefits and privileges enjoyed and received.

This bill is introduced in recognition of the significant contribution of barangay officials and volunteer workers in nation-building. It seeks to provide social security benefits for barangay officials and volunteer workers through government

instrumentalities like the Government Service Insurance System (GSIS), Philippine Health Insurance Corporation (PhilHealth) and Home Mutual Development Fund (PagIBIG Fund). This bill mandates the membership and enrolment of all barangay officials and volunteer workers to the GSIS life insurance and social protection program, the PhilHealth National Health Insurance Program, and the PagIBIG Fund Voluntary Membership Program.

Finally, this bill also requires the submission of a periodic report to Congress to ensure the sustainability of the program and the financial stability of the government corporations. These interventions are devised with the end in view of promoting the welfare of the people who ensure the safety, security, amity and well-being of Filipino communities in times of peace and crisis.

In view of the foregoing, immediate passage of this bill is earnestly sought.
