House Bill No. _____

Introduced by Representative Marjorie Ann "Maan" A. Teodoro

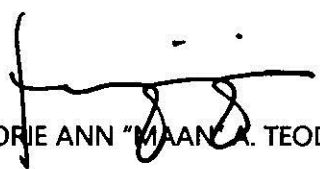

EXPLANATORY NOTE

This bill seeks to convert into a national road M. Roxas Street in Barangay Kalumpang traversing Marcos Highway and Nicanor Roxas Street, both national roads, in the City of Marikina.

Roads are vital in the socio-economic development of any country, as it provides faster and easier access to social services, health, education, and labor to boost the sustainability of the country. Furthermore, it links people and goods from one city, province, or region to another.

M. Roxas Street is an important thoroughfare linking Marikina City to Pasig City. The same street is a reliable passageway for residents of the city, as well as, visiting tourists when travelling in and around Marikina.

At present, notwithstanding the usefulness of M. Roxas street and the convenience it provides to the people; the repair, maintenance and improvement of the said road remains with the local government. Thus, converting M. Roxas street into a national highway, under the protection and supervision of the Department of Public Works and Highways is urgently needed for the benefit of numerous motorists as described above.
