House Bill No. 3288

Introduced by Representative Marjorie Ann "Maan" A. Teodoro

EXPLANATORY NOTE

This bill seeks to convert into a national road Lopez Jaena Street in Barangays Barangka, Jesus Depa Peña, and Tañong traversing Bonifacio Avenue, a national road, in the City of Marikina.

Lopez Jaena Street is an essential road that links Quezon City to Marikina City. It stretches along the busy part of the city from its town proper up to Katipunan Avenue and Aurora Avenue in Quezon City. The same thoroughfare is a reliable passageway for both residents of the city, as well as, visiting tourists and other traffic when traveling in and around Marikina.

Presently, however, despite the many uses of Lopez Jaena Street, and the convenience it provides to the people; the repair, maintenance and improvement of the said road remains with the local government. Thus, converting Lopez Jaena Street into a national highway, under the supervision, monitoring and protection of the Department of Public Works and Highways is urgently needed for the benefit of numerous motorists as described above.

In view thereof, early approval of this bill is hereby sought.
