House Bill No. **3391**

Introduced by Representative Marjorie Ann "Maan" A. Teodoro

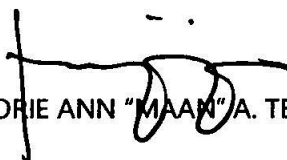

EXPLANATORY NOTE

This bill seeks to convert into a national road Chorillo Street in Barangay Barangka traversing Bonifacio Avenue, a national road, in the City of Marikina.

Chorillo Street, Marikina City is an essential road that links Quezon City to Marikina City. The same thoroughfare is a reliable passageway for the residents of the city to get to their destinations to perform economic activities, as well as, visiting tourists and other traffic when traveling and around Marikina.

Presently, however, despite the many uses of Chorillo Street, and the convenience it provides to the people; the repair, maintenance and improvement of the said road remains with the local government. Thus, converting Chorillo Street into a national road, under the supervision, monitoring and protection of the Department of Public Works and Highways is urgently needed for the benefit of numerous motorists as described above.

In view thereof, early approval of this bill is hereby sought.
