HOUSE BILL NO. **3450**

Introduced by Representative **Florencio Gabriel "Bem" G. Noel** and Representative **Josephine Veronique "Jaye" Lacson-Noel**

EXPLANATORY NOTE

As provided by Section 13, Article II of the 1987 Constitution, the State recognizes the vital role of the youth in nation-building, and shall promote and protect their well-being. It shall inculcate in the youth patriotism and nationalism, and encourage their involvement in public and civic affairs.

To this end, the purpose of this bill is to establish a Fundamental Program which shall be incorporated in the curricula of the basic education programs of all public and private educational institutions. This program specifically aims to instill in the youth moral values, discipline, patriotism, nationalism, and a strong sense of *bayanihan* among students from Grades 1 to 12 as well as an optional Specialized Program offered to students in Grade 11 and 12.

Taking a serious positive step towards inculcating in the youth such values, teachings, and work ethic at this tender age would allow educational institutions to better prepare the youth to become responsible contributing members of society. These values may be a challenge to teach but effective implementation of this bill will have an exponential impact on the lives of the generations to come.

In view of the foregoing, the immediate enactment of this bill is earnestly sought.
