Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

NINETEENTH CONGRESS
First Regular Session
10. 3696
House Bill No. _____

Introduced by Representative
LEODY "ODIE" F. TARRIELA

EXPLANATORY NOTE

The island of Mindoro was previously referred to in some Chinese Chronicles as the land "Ma'I" where residents were believed to be trading with merchants from other parts of the archipelago and Southeast Asia. According to the Philippine Statistics Authority, the province of Occidental Mindoro is an agricultural area devoted to the production of crops like rice, corn, onions, garlic, and other fruits which contributed to its income. Strategically located at the south of province of Batangas in Southern Luzon, the province is considered as one of the major gateways to Visayas and Mindanao as thousands of goods and people traverse within the province to deliver goods and commodities.

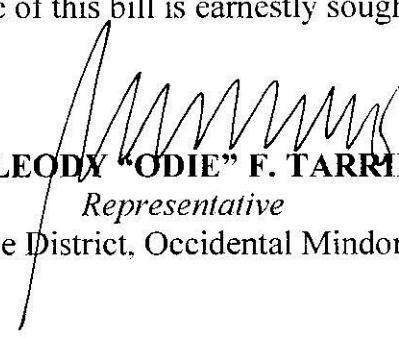

Special Economic Zones or ECOZONES are selected areas with highly developed or which have the potential to be developed into agro-industrial, industrial, tourist/recreational, commercial, banking, investment and financial centers. An ECOZONE may contain any or all of the following: industrial estates (IEs), export processing zones (EPZs), free trade zones, and tourist/recreational centers.¹ Its objective is to promote the flow of investors, both foreign and local, into special economic zones which would generate employment opportunities and establish backward and forward linkages among industries in and around the economic zones.

This bill provides the establishment of Occidental Mindoro Special Economic Zone within the Municipalities of Abra de Ilog, Sta. Cruz and Mamburao, which is situated at the center of the province, in order to

¹ Sec. 4, R.A. No. 7916.

1 encourage investors to explore countryside investments and provide economic
2 stimulus throughout the province. With this bill, the Province of Occidental
3 Mindoro will be transformed into a highly developed agro-industrial,
4 industrial, commercial, tourist, banking, investment, and financial centers,
5 where highly trained workers and efficient services will be available to
6 commercial enterprises.

7
8 In view of the foregoing, the passage of this bill is earnestly sought.
