House Bill No. **3761**

Introduced by HON. ALAN "ALDU" R. DUJALI

EXPLANATORY NOTE

This bill seeks to convert the Carmen-Tagum City Coastal Road from Local Road to National Road. The conversion shall transfer the maintenance, repair, and improvement of the said road to the national government.

The Carmen - Tagum City Coastal Road, with a length of 15.579 kilometers, serves as the coastal circumferential road that connects Panabo and Tagum City to decongest Daang Maharlika and connects the hard to reach production areas in Carmen and Tagum. It serves as a major thoroughfare for the transportation of people and goods in the Province of Davao del Norte.

Through the Department of Public Works and Highways (DPWH) Department Order No. 84 dated May 25, 2022, the Carmen - Tagum City Coastal Road has been reclassified as a National Road; and for the purpose of strengthening its implementation, this legislation is being filed.

In view of the foregoing, the approval of this bill is earnestly sought.
