HOUSE BILL NO. 3811

Introduced by Representative Alan I B. Ecleo

EXPLANATORY NOTE

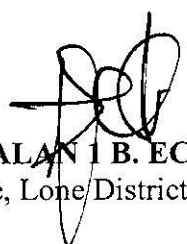

The proposed bill aims to convert Villa Pantinople – Montag Road located in the Province of Dinagat Islands into a national road.

The existing roadway of Villa Pantinople – Montag, with its length of 6.47 KM, serves as a main thoroughfare in the locality. It is a reliable passageway heavily traversed by the residents and is a vital infrastructure and passageway of goods and services between sitios, barangays, and municipalities. Needless to say, the mobility the abovesaid roadway provides to the people of Dinagat Islands is essential to the socio-economic activities and operations of the province.

Villa Pantinople – Montag Road is currently classified as a provincial road. Thus, its maintenance and improvement are under the responsibility of the local government. Considering the fiscal limitations of the local government, the maintenance of the road subject of this bill cannot always be given prioritization despite its contribution and importance to the locality.

Thus, to guarantee the availability of and access to funds for the consistent care and maintenance of the abovesaid road, and to make sure that it continues to serve fully its purpose and capacity, it is deemed best and urgent to convert Villa Pantinople – Montag Road into a national road. Doing so will redound to the socio-economic development and promotion of the welfare of the People of the Province of Dinagat Islands.

In view thereof, the passage of this bill is earnestly sought.
